## INDEX TO VOL. XXX.

---

### ORIGINAL AND TRANSLATED ARTICLES.

Buphthalmos, unilateral, Wassermann positive .....	20
Cataract from lightning stroke .....	257
Cataract, senile, spontaneous absorption .....	300
Conjunctival vessels, microscopical study .....	129
Corneal epithelium, extraordinary alterations .....	39
Cornea, does it participate in absorption .....	330
Detachment of retina, treating .....	353
Episcleritic process, the, and sequelæ .....	258
Haitz stereoscopic chart, convenient form .....	69
Holding a pair of lenses, instrument for .....	142
Holes in the macula .....	97
Hyalitis caused by pus absorption .....	71
Iridocyclitis following cataract extraction .....	291
Keratitis disciformis .....	289
Keratoconus and ectopia lentis .....	33

# *Index.*

iii

Lipodermoids of conjunctiva and cornea .....	1
Lymph vessels of the eye and orbit .....	225
Mandible capsular forceps .....	144
Meningitis optica in recent syphilis .....	265
Method, new, of delivering lens in capsule .....	326
Nævus of the conjunctiva bulbi .....	294
Ocular phenomena of intracranial disease .....	15
Optic neuritis, bilateral, rare case .....	321
Optic neuritis from ethmoid cell inflammation .....	161
Protractor with single cell trial frame .....	110
Sarcoma of the uveal tract .....	332
Scleritis and podagra .....	263
Sympathetic ophthalmia after operation .....	107
Thiocyanates in the body fluids .....	42
Tuberculosis, ocular with astigmatic variations .....	165
Tuberculosis of the eye .....	65
Who, how, when? .....	22

## SOCIETIES.

American Academy of Ophthalmology and Oto-Laryngology.....	280
American Ophthalmological Society .....	193, 233
Belgian Ophthalmological Society .....	128
Hungarian Ophthalmological Society .....	364
Ophthalmic Section, St. Louis Medical Society, 24, 114, 173, 252, 269, 306	
Ophthalmic Society of the United Kingdom .....	243
Philadelphia Polyclinic Ophthalmological Society.....	53, 76, 120, 147
Section of Ophthalmology, Royal Society of Medicine,	
8, 126, 182, 217, 275, 369	

## ABSTRACTS.

Artificial illumination and ocular discomfort .....	346
Blepharoconjunctivitis and perlèche .....	160
Blindness preventable, a challenge .....	315
Cataract operation, present status .....	59
Conjunctiva, temperature of .....	347
Cyanide of mercury in eye infections .....	127
Dacryocystitis acuta, treatment .....	285
Diabetes Mellitus, ocular diseases .....	286
Dionin, influence of pupil and tension .....	160
Endonasal treatment of eye diseases .....	62
Essential oils in treatment of irido-cyclitis .....	377
Glaucoma, surgical treatment .....	155
Gonorrhœal choroiditis, treated by vaccines .....	38
Gonorrhœal conjunctivitis, aborted .....	287
Gonorrhœal iridocyclitis .....	23
Hemianopic pupil reaction .....	350
Hydrophthalmus .....	347
Intraocular pressure and drainage .....	319
Keratitis, interstitial, treated by salvarsan .....	127

Keratitis, interstitial, congenital, treated by salvarsan .....	347
Metastatic ophthalmia .....	373
Myopia prevented by teachers .....	284
Neosalvarsan, toxic action .....	52
Nernst light for examination .....	216
Nystagmus, miner's, ætiology .....	160
Parinaud's conjunctivitis .....	109
Pathogenesis of chronic uveitis .....	374
Phlyctenular conjunctivitis, ætiology .....	146
Phlyctenular inflammation, ætiology .....	315
Purulent ophthalmia, prevention .....	189
Retinitis pigmentosa, hereditary cases .....	320
Salvarsan in ophthalmology .....	255
Sarcoma of the choroid .....	285
Scleritis treated with tuberculine .....	155
Septic inflammation causing eye disease .....	223
Sinuses, accessory, relation to eye .....	283
Sociologic aspect of errors of refraction .....	190
Squint, value of correcting glasses .....	172
Strabismus in children .....	61
Sunlight treatment of tuberculosis .....	31
Syphilis, ocular, treated with salvarsan .....	222
Sympathetic ophthalmia .....	377
Teaching of ophthalmology in America .....	189
Tension, intraocular, modifying operations .....	21
Trachoma among the Indians .....	319
Transplanting human cornea .....	30
Tuberculine in ophthalmology .....	286
Unique visual power .....	60

## NOTICES.

Notices .....	58, 192, 287, 305, 314, 345, 351, 380
---------------	---------------------------------------

## BOOK REVIEWS.

Book reviews .....	62, 128, 191, 224, 288, 352
--------------------	-----------------------------

## OBITUARY.

John Green, 1835-1913 .....	361
Edward Nettleship, 1845-1913 .....	363
Correction .....	79, 113
Correspondence .....	32
